December 2015

Dear friends,

L'Associazione Messinese di Montreal will be hosting the eleventh annual "International Woman's Day Celebration" on Friday, March 11, 2016.

Last year over **350** women participated in our event and the same number if not more are expected this year.

This year's fundraising will be allocated to: "The LaSalle Hospital Foundation" and "The Quebec Breast Cancer Foundation". We will be donating the profits from this evening equally to the Foundations in hopes that no matter how large or small the amount, it will serve to make women's lives better.

We come to you requesting a donation for this evening. It can be in the form of a gift for the raffle or a donation to one of the Foundations themselves. If you decide on the latter, please make your cheque payable to either the "Quebec Breast Cancer Foundation" or to the "LaSalle Hospital Foundation. If you decide on a monetary donation in the form of a cheque over \$20, the Foundation will send you a tax receipt.

On behalf of the organizing committee, and all the women, we thank you for your generous and much needed support.

Sincerely,

The 2015 Organizing Committee Members
