

October 2015

Dear Sponsor,

The Quebec Breast Cancer Foundation is extremely fortunate to have the **Associazione Messinese di Montreal** organizing the **Festa della Donna** for the **11th year** in a row. The event will take place on **March 11, 2016** at the **Buffet Il Gabbiano**. A part of the profits will be given to our organization. To this day, an amount of more than **\$72,530** has been remitted to the Foundation. We are absolutely thrilled with their wonderful initiative.

The Quebec Breast Cancer Foundation has a three-part mission:

- Fund research and innovation;
- Support breast cancer patients and their loved ones, and advance their interests;
- Use education and awareness initiatives to make breast health a priority.

On behalf of the Foundation, we hope you will accept to participate in order to help us continue our mission and make our vision a reality: 'a life without breast cancer'.

Sincerely,

Sophie Barrette
